Manuscript Title:

I/we certify that I/we have participated sufficiently in the intellectual content, conception and design of this work or the analysis and interpretation of the data (when applicable), as well as the writing of the manuscript, to take public responsibility for it and have agreed to have my/our name listed as a contributor. I/we believe the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter. I/we certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. I/we also certify that we have taken all necessary permissions from our institution and/or department for conducting and publishing the present work.

I/We certify that this manuscript is not sponsored directly or indirectly by a pharmaceutical company, equipment manufacturer, public relations firm, or any other commercial entity. Moreover, I certify that neither any immediate family member nor I currently have a financial interest in, or arrangement with, any organization that may have direct interest in the subject matter of this article, except as may be disclosed in an attachment to this statement.

I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership, including any and all rights incidental thereto, exclusively to the Turkish Neurosurgery Journal, in the event that such work is published by the Turkish Neurosurgery Journal. The Journal shall own the work, including copyright; the right to grant permission to republish the article in whole or in part, with or without fee; the right to republish the work in a collection of articles in any other mechanical or electronic format.

We give the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf and he/she will act as the guarantor for the manuscript on our behalf.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment that means I/we have not received substantial contributions from non-contributors and no contributor has been omitted.

This copyright assignment form is signed by corresponding author of the manuscript on behalf of all authors.

The Journal of Turkish Neurosurgery Authorship Contribution Statement

Date:

Manuscript Title:

Regarding the national and international indexing regulations, the “Turkish Neurosurgery” journal will publish the manuscripts with “Author Contribution Statement” by the year 2022.

Please follow the instructions, and complete the “Author Contribution Statement.

Based on the **ICMJE guidelines for authorship criteria** (<http://www.icmje.org/recommendations/browse/roles-and-responsibilities/defining-the-role-of-authors-and-contributors.html>) and as recommended by the **Committee on Publication Ethics** [COPE, (<https://publicationethics.org/>)], what you need to do is clarify how each author has contributed to the paper.

An author’s name can appear multiple times, and each author name must appear at least once.

For single authors, use the following wording: The author confirms sole responsibility for the following: study conception and design, data collection, analysis and interpretation of results, and manuscript preparation. You need to create a list assigning a person’s name against the following roles or tasks:

- Conception or design of the work
- Data collection
- Data analysis and interpretation
- Drafting the article
- Critical revision of the article
- Other (study supervision, fundings, materials, etc...)
- Final approval of the version to be published

Note that the names of all the co-authors should be written for the last point. Once you draft the contributorship statement, make sure to get it signed by all the co-authors before you submit it to the journal.

Example:

The authors confirm contribution to the paper as follows:

Study conception and design: X. Author, Y. Author

Data collection: Y. Author

Analysis and interpretation of results: X. Author, Y. Author. Z. Author

Draft manuscript preparation: Y. Author. Z. Author.

All authors (X, Y, Z) reviewed the results and approved the final version of the manuscript.
